Be it known that I, J. C. W. Kline, a surveyor, do hereby certify that, at the instance and request of the **Winona and St. Peter Railroad Company,** I did on the 20th day of June, A.D. 1900, survey and stake out into blocks, lots, streets, alleys, and outlots, a part of the West half of Section Three, (3) in Township 114 North, of Range 45 West, of the 5th Principal Meridian, and situate in Yellow Medicine County, in the State of Minnesota, for the purpose of laying out the "FOURTH RAILROAD ADDITION TO THE TOWN OF CANBY," and that the plat hereon drawn is a true representation of such subdivision, particularly describing and setting forth all the streets and alleys, and that all the lots in said subdivision are numbered by the blocks in which they are situated.

I further certify that the **Winona and St. Peter Railroad Company,** the owner of said subdivision, did, at the time of laying out said subdivision, cause to be firmly fixed in the ground two good and sufficient stones of such size as directed by me as surveyor, and that the points where the same may be found are designated on the plat hereon drawn.

In testimony whereof I have hereunto set my hand this 8th day of Aug, A.D. 1900.
