Surveyed July 1882.

I, L. R. Morgan, a Surveyor, do hereby certify that the annexed is a correct Plat of Lathrop's Second Addition to Granite Falls as surveyed by me in July 1882 under the direction of Sarah E. and Charles E. An iron monument stands on the north line of Block 1 at the center of said section 33, a stone monument has been placed 51½ feet south of the South West corner of Block 13 owned by F. W. Pearsall. The size of the blocks in said addition is indicated in feet by the figures on the annexed plat, the scale thereof being 200 feet to an inch.
