By Kay Nordahl, Deputy

DOCUMENT NO. 163239

Statement of Evidence: NORTHEAST CORNER SECTION 9, T115N, R39W, 5TH P.M.

The original Public Land Survey was completed in 1864 by Charles E. Davis and J. W. Webb Jr. A wood post was set in a mound of dirt with pits to mark the corner.

In 1901, John Norgaard, County Surveyor, found a stake and a stone in the government mound. He set a 6" x 6" x 24" granite monument at this location at that time.

An analysis of this data provides a continuous chain of record perpetuation the location of the original Public Land Survey corner.

For details of survey analysis and 1973 electronic survey measurements, see Survey Report for S.P. 8701-18 from 0.3 miles North of the Yellow Medicine River to Granite Falls on file in the Surveys Section, Minnesota Highway Department, Willmar, Minnesota.
