DOCUMENT NO. 163996

Statement of Evidence: NORTHEAST CORNER SECTION 7, T115N, R40W

In 1895 and 1901 John E. Norgaard found a stone in place. In 1901 he replaced the stone with a 6 inch x 6 inch x 24 inch jasper monument.

Prior to 1956 the Minnesota Highway Department right of way map shows a  $\frac{1}{2}$  inch iron rod in place.

On May 22, 1974 the Minnesota Highway Department found the  $\frac{1}{2}$  inch iron rod on centerline of North-South road and 1.0 foot North of centerline of East-West highway (T.H. 67).

I could not determine who replaced the jasper monument with the  $\frac{1}{2}$  inch iron rod.

On July 19, 1974 the Minnesota Highway Department placed a cast iron monument with  $\frac{3}{4}$  inch iron pin below it to mark the corner.
