Opdahl 📈 Land Surveyor, 🗆 Professional Engineer DOCUMENT NO. □ County Surveyor, □ County Engineer

Rec'd. From Lyle Mosena

Mn/DOT 2105 (4-77)

Statement of Evidence:

In 1913 John Norgaard found and used the corner and set a Jasper Stone on orignal corner.

On Aug. 27, 1986 I dug for the stone I found natural ground was only 8 inches below the road surface we dug another 3 feet to clay and found nothing. I set the rerod in the center of the road intersection and measured the distance recorded in 1913 by John Norgaard from the Northeast corner of said section 7, I had the same distance of 4,987 feet.
