Original survey done in the 1860's.

In 1901 John Nordgaard remonumented the area using 6"x6" Granite stones for the Section corners and irons for the Quarter corners.

On August 21, 1990 we dug by hand and found the stone set by John Nordgaard in 1901 2' below road surface, we set a 1" iron pipe with seal on top of stone to raise monument.
