County Recorder Normand G. G. G.

By \_\_\_\_\_, Deputy

DOCUMENT NO. 198969

**Statement of Evidence:**

Original survey was done in the 1860's.

I could find no record of any other surveyor.

We found the fence intersection to be within 4 feet of a direct spilt of midway between the Northwest and Southwest Quarter.

We found several stones at the intersection of fences but nothing that looked like a corner stone.

I set rerod in the fence intersection
