## Statement of Evidence:

Northeast Corner Section 11, T 115 N, R 40 W

The concrete bench mark monument that was found in 1976 was recovered in May of 1991 by Matt Schlagel, Land Surveyor in Training with Mn/DOT. The concrete monument was destroyed when the intersection of T.H. 67 with a county highway was reconstructed.

For a complete history of this corner, see Document No. 170327 that was filed with the Yellow Medicine County Recorder on October 4, 1977.
