## Statement of Evidence:

Northeast Corner Section 22, T 115 N, R 39 W

For the complete history prior to 1994, see Document No. 192968, which is a Certificate of Location of Government Corner filed in the Yellow Medicine County Recorder's Office on April 20, 1988 by Lowell Pommerening, RLS 17005, who works for the Minnesota Department of Natural Resources.

1994 - Matt Schlagel, Land Surveyor in Training with Mn/DOT, recovered the B.L.M. aluminum monument with a 178mm square granite monument on the southwest side of it. The B.L.M. reference tie was also recovered. The reference tie has been slightly damaged and tilted. It is a 50mm diameter aluminum pipe with a 19mm diameter by 457mm long iron pin inside of it. The reference tie is now 29.05m northeast of the section corner instead of 145 links (29.17m), as called for in the B.L.M. survey notes.

This position for the corner has been accepted in the past by the old County Surveyors, Mn/DOT, the B.L.M., and Mn/DNR.

For additional information, contact the Mn/DOT Surveys Section at Willmar, Mn 56201.
