Statement of Evidence for the North Quarter Corner of Section 15, Township 114 North, Range 44 West of the 5<sup>th</sup> Principal Meridian.

1874

The subject corner was established by L. Harrington. His notes state that he ran east on random line between Sections 15 & 22. At 40.00 Chains he set a temporary a quarter section post. At 79.76 chains Intersect N & S line 19 links North of the corner to Secs 14, 15, 22 & 23 from which he ran N 89-52 W on true line. At 39.88 Chains Set post in mound with pits for 1/4 Sec Cor. (No ties taken).

At 79.76 Chains The Corner to Sections 14, 15, 22 & 23.

Neither Mr. Harrington's monument nor accessories were found during our survey.

1994

Highway plans obtained from Yellow Medicine County Highway Department indicate an unidentified monument at this location

2009

Field Crew from Minnesota Department of Natural Resources (DNR) was unable to find any monument at this location. An excavation was not undertaken as this is an area of substantial fill due to the proximity of creek and there being no historic monuments in the record after the original survey. The corner was established on the centerline of the road and at proportional distance shown on the highway plan.

For more information concerning this survey contact Minnesota Department of Natural Resources.
