Statement of Evidence:

Northwest Corner Section 34, Township 115 North, Range 44 West

1871 L Harrington, Deputy Surveyor, set the Northwest Corner post as per instruction.

2010 On May 19, a Bolton & Menk Inc survey crew found a capped rebar monument at this corner. The cap was partially destroyed and the crew was unable to read any number on cap. This monument seems reasonable and was accepted as the corner.
