Statement of Evidence

In 1858, J. W. Neely did the original survey of the township lines.

On October 24, 1925, O. H. Sterk found a stone at the corner in line with a fence to the north.

On May 9, 2012, Bueltel-Moseng Land Surveying dug in line with the field line and found nothing. We set a cast iron monument in line with field line as Sterk recorded on the 1925 survey.
