STATEMENT OF EVIDENCE

East Quarter Corner of Section 24 T115N-R42W

1858 W.J. Neely was contracted by the United States

Government Land Office to perform the Original Public Land Survey in this township. He records in his field notes "Set gov sec post deposited coal made mound trench \sharp pits as

per instructions".

John Norgaard, County Surveyor, records in Yellow

Medicine County Surveyor's Record Book A page 76, "found Section cor.", but does not note what type of

monument was found at the corner position.

May 16, 2012 Matthew D. Runke, P.L.S. #46171, set a Capped Iron Rod

"46169 46171" at the corner position using single proration methods from dimensions shown on 1901 Norgaard survey. This position is supported by field

evidence of old fence posts to the north, east, and west of

the corner position.
