Statement of Evidence

In September, 1864, Chas E. Davis and J.W. Webb Jr. did the original subdivision of the township.

In September 1917, John Norgaard, County Surveyor, found a jasper stone monument at the corner.

In 1932, John Norgaard, County Surveyor recorded distances to the corner, while doing a survey in Section 23-114-39.

On April 2, 2015, Bueltel-Moseng Land Surveying dug with a backhoe, we were not able to find a stone and found an old wooden fence post, straight up and down below the surface of the road. We removed the post and set 5/8" iron with seal #43844 in place of the post at road surface.
