Statement of Evidence

In September, 1864, Chas E. Davis and J.W. Webb Jr. did the original subdivision of the township.

In 1932, John Norgaard, County Surveyor, set cement monument and recorded distances to the corner, while doing a survey in Section 23-114-39.

On September 9, 1992, Moseng Land Surveying dug with a backhoe and found nothing. He set a pipe with seal online between the section corners and in center of the road.

On April 8, 2015, Bueltel-Moseng Land Surveying set a survey spike with seal #43844 by using Yellow Medicine County Coordinates. We matched Lyle Moseng's ties and a found pin from the previous survey.
