Statement of Evidence: East Quarter Corner Section

East Quarter Corner Section 20, Township 114 N, Range 38 W

- The original Public Land Survey subdividing the township was completed by Brent V. Barnes, U.S. Deputy Surveyor in 1858.
- On September 15, a Bolton & Menk Inc, Sleepy Eye, survey crew set a 1/2" iron pipe monument midway and online between the Northeast Corner of Section 20-114-38 and the Northeast Corner of Section 29-114-38. The iron pipe was set 3" below the surface of the gravel Township Road. This location seems reasonable and is accepted as the corner.
