Statement of Evidence: Northeast Corner Section 29, Township 114 N, Range 38 W The original Public Land Survey subdividing the township was completed by Brent V. 1858 Barnes, U.S. Deputy Surveyor in 1858. On September 15, a Bolton & Menk Inc, Sleepy Eye, survey crew found found a 1 1/2" 2016 Rebar iron at the surface of the bituminous county road. This location seems reasonable and is accepted as the corner.
