Statement of Evidence

In 1867, David Watson did the original subdivision of the township.

In July, 1926, John Norgaard, County Surveyor, found the corner. Did not note what he found.

On November 15, 2016, Bueltel-Moseng Land Surveying found 5/8" iron with seal #19092 at the corner. We removed the found iron and dug with a back hoe. We found nothing. We set 5/8" iron with seal #43844 at location of 5/8" iron with seal #19092.
