☐ County Surveyor ☐ County Engineer		

STATEMENT OF EVIDENCE:

NORTH QUARTER OF SECTION 21, T114N, R46W, 5TH PM

1871 Corner was originally established by the U.S. General Land Office as a post set in raised mound.

1930 Surveyor's Record Book page 533 contains a survey for section 16 by John Norgaard, County Surveyor, which shows a post at corner location at equal distance (2640) between section corners.

2017-10-27 Westwood PS searched the area and found 1/2" iron pipe which fits distances to the 1930 survey of section 16 within 2 ft. Accepting as the corner location and set 3 reference ties.
