STATEMENT OF EVIDENCE:

NORTH QUARTER OF SECTION 16, T114N, R46W, 5TH PM

1871 Corner was originally established by the U.S. General Land Office as a post set in raised mound.

1930 Surveyors Record Book page 533, completed a survey for section 16 in which they show the corner at equal distance between corners.

2017-10-27 Westwood PS searched the area and found a 1/2" open pipe on centerline road and on line with fence running south, which also fits the midpoint distance between section corners. Accepting as corner location and set 3 reference ties.
