STATEMENT OF EVIDENCE:

NORTHEAST OF SECTION 7, T114N, R46W, 5TH PM

*1871 Corner was originally established by the U.S. General Land Office as a post set in raised mound.*

*Undated township resurvey – notes the corner was located on north side of road running e/w. A distance of 5295' is noted for the east line of section 7*

*2017-11-02 Westwood PS searched the area and nothing. Set 1/2" rebar with cap LS45874 at north/south prorated distance from the township resurvey and on road centerline for the east/west position (this puts the corner about 4.5 ft north of the e/w road centerline, which is fairly consistent with township resurvey description). Set 3 reference ties.*
