☐ Cou	ınty Surveyor	□County Engineer					

STATEMENT OF EVIDENCE:

NORTHEAST OF SECTION 31, T114N, R46W, 5TH PM

1871 Corner was originally established by the U.S. General Land Office as a post set in raised mound.

1978 Gary Stevenson filed a corner record dated 10/20/1978 in which a 7"x7" granite block was found down 4.5 feet and placed a 3/4" iron rod on east side of granite block and also set 3/4" iron rod over center of found granite block.

2017-10-17 Westwood PS received coordinates for this corner from the County Highway Department.

2017–10–25 Westwood PS searched the area and found a 3/4" iron rod per 1978 corner record by Gary Stevenson, and 1 reference tie. Monument fits coordinates from County Highway Department, accepting as corner location and set 2 additional reference.
