Janel Timm, Yellow Medicine County Recorder

By *Kelly Kueger* Deputy

STATEMENT OF EVIDENCE:

NORTH QUARTER OF SECTION 9, T114N, R46W, 5TH PM

1871 Corner was originally established by the U.S. General Land Office as a post set in raised mound.

1930 – survey made by John Norgaard, county surveyor notes a post at the corner (equal distance between section corners)

2017–10–27 Westwood PS searched the area and found 3/4" iron rod which fits the lost position. Also found a nail at road centerline and on line with fence line running south. Found nail is 26 feet ENE of found iron rod. Accepting iron rod as the corner location (fits 1930 survey distances within 2 ft) and set 3 reference ties.
