STATEMENT OF EVIDENCE:

EAST QUARTER OF SECTION 34, T115N, R46W, 5TH PM

1871 Corner was originally established by the U.S. General Land Office as a post set in raised mound.

1905 Surveyors Record Book Page 177 shows a survey for Section 35 by John Norgaard, County Surveyor, in which they found the Government Mound in place at the corner location.

2016 Roy Marihart completed a survey in section 34 in which he found a monument in place at the corner location.

2017-11-02 Westwood PS searched the area and found nothing. Set 1/2" rebar with cap LS45874 at occupation on north-south centerline and on line with fence line running west. Position fits close to 2016 survey of section 34 and also to 1905 survey of section 35. Set 3 reference ties.
