STATEMENT OF EVIDENCE:

EAST QUARTER OF SECTION 29, T115N, R46W, 5TH PM

1871 Corner was originally established by the U.S. General Land Office as a post set in raised mound of rocks.

1903 Surveyors Record Book page 180, John Norgaard, County Surveyor, completed a survey in Sec 29 in which found pile of stones due east of fence running west.

2014 Bueltel–Moseng Land Surveying completed a survey in Section 29 in which they found a PK nail in place at the corner location.

2017–10–27 Westwood PS searched the area and found a mag nail which fits with the 2014 survey by Bueltel–Moseng in Section 29. Also appears to fit 1903 survey location. Accepting as corner location and set 3 reference ties.
