## Statement of Evidence

N1/4 21-115-40 (S1/4 16-115-40)

In 1858, W.J. Neely did the original subdivision of the township.

In November, 1917, John Norgaard, County Surveyor, found a stone and pit and mound set by him over 20 years earlier.

No Date, Marihart Surveying set an iron with seal 19092.

On November 2, 2018, Bueltel-Moseng Land Surveying dug with a backhoe. We found an iron with seal #19092. We removed the iron and continued digging. We found nothing else. We set a 5/8" iron with seal #43844 in place of the iron. It is in the center of the road and in line with occupation line to the north.

E1/4 17-115-40 (W1/4 16-115-40)

In 1858, W.J. Neely did the original subdivision of the township.

On November 2, 2018, Bueltel-Moseng Land Surveying set a 5/8" iron with seal midway and on line between the section corners. It is 2'± west of the center of the road.
