## STATEMENT OF EVIDENCE

KLJ contacted the following for survey information

MN GLO/BLM original survey records
Yellow Medicine County Recorder's Office
MNDOT office in Willmar
Yellow Medicine County Highway Engineer's Office
Bonnema Surveys, Inc. of Willmar
O'Malley & Kron Land Surveyors, Inc. of Willmar
Bueltel—Moseng Land Surveying of Marshall
Marihart Surveying, P.A. of Dawson
Egan Field & Nowak, Inc of New Brighton
E.G. Rud & Sons, Inc. of Hutchinson

In November, 1867, David Watson, General Land Office Deputy Surveyor performing the original survey of the subdivision lines set a wood post in mound with pits.

On June 7, 2023, KLJ found a  $\frac{1}{2}$ "x 4" rebar on the centerline of a bituminous North South County Highway and East West Township roadways. The rebar was lifted and no other magnetic draws were detected. It is uncertain who set the rebar. The rebar fits a straight line single proportion west and south based on found monuments. The rebar was reset in the same location. The rebar was accepted as the NE corner of Section 29. Searched for Highway department ties and all ties were gone.

On September, 1, 2023, KLJ removed the  $\frac{1}{2}$ " x 4" rebar and set a  $\frac{1}{8}$ " x 18" rebar with MN LS 48258 down 0.30' below grade in the same location as the  $\frac{1}{2}$ " x 4" rebar.
