STATEMENT OF EVIDENCE

KLJ contacted the following for survey information

MN GLO/BLM original survey records
Yellow Medicine County Recorder's Office
MNDOT office in Willmar
Yellow Medicine County Highway Engineer's Office
Bonnema Surveys, Inc. of Willmar
O'Malley & Kron Land Surveyors, Inc. of Willmar
Bueltel—Moseng Land Surveying of Marshall
Marihart Surveying, P.A. of Dawson
Egan Field & Nowak, Inc of New Brighton
E.G. Rud & Sons, Inc. of Hutchinson

In September, 1858, C.E. DAVIS & J.W. WEBB JR., General Land Office Deputy Surveyors performing the original survey of the subdivision lines set a wood post, in mound with pits.

In April, 1918 County Surveyor John Norgaard's "Red Book", page 401, on file at the Yellow Medicine County Recorder's Office shows distances of 2646.5 feet North and 2646.5 feet South to each Section corner. The notes state that he set a stone on line and equal distances between section corners.

On July, 19, 2023, KLJ dug a 3x3x3 hole with a large electric jackhammer and generator at the midpoint and online between section corners north and south and probed and found nothing. Another 3x3x3 hole was dug at the center of the road and field division east 10' south of said midpoint and probed and found nothing. KLJ found no evidence of the original corner or other corner monuments. KLJ established the location at the straight line single proportion which falls on the centerline of the township road and 10' north of the field division east. Monument set 0.50' below grade.
