☐ County Surveyor, ☐ County Engineer	U

September, 1871, Lewis Harrington, General Land Office Deputy Surveyor performing the original survey of the subdivision lines set a wood post in a raised mound.

Surveyor's "Red Book", page 479, on file at the Yellow Medicine County Recorder's Office, shows a distance tie to the West Quarter corner of Section 33 to the south (1906).

On August 30, 2012 Egan Field & Nowak, Inc. found no evidence of the original corner and established the location at the intersection of a fence line running north of the corner position, as extended southerly, with the center line of 230th Avenue.

NAD 83-1996 (OPUS derived) adjusted geodetic coordinates:

Latitude: 44°43'56.676" North Longitude: 96°10'30.832" West
