Registration No. 22033	Janel Timm, Yellow Medicine County Recorder
	By Marit Nordang Deputy
☐ County Surveyor, ☐ County Engineer	Deputy

In September, 1871, Lewis Harrington, General Land Office Deputy Surveyor performing the original survey of the subdivision lines set a wood post in a raised mound and placed a witness corner north 50 links.

On April 20, 2012 Egan Field & Nowak, Inc. dug and probed at fence line intersection and found no evidence of the original corner or other corner monuments. EFN established the location at the intersection of an old fence line west and a fence line south of the corner position.

NAD 83-1996 (OPUS derived) adjusted geodetic coordinates:

Latitude: 44'44'23.082" North Longitude: 96'10'30.504" West
