In November, 1867, David Watson, General Land Office Deputy Surveyor set a wood post in a mound with pits.

Surveyor's "Red Book", page 537, on file at the Yellow Medicine County Recorder's Office, indicates a wood post at the South Quarter at fence lines north and south.

On March 22, 2012 Egan Field & Nowak, Inc. searched and found no evidence of corner monumentation. No road excavation was made because roadway lies in cut area. Set rebar at center line of road at fence extension from the south.

NAD 83-1996 (OPUS derived) adjusted geodetic coordinates:

Latitude: 44°43′54.93″ North Longitude: 96°01′18.49″ West
