The Department of Natural Resources, Division of Lands and Minerals, contacted the following offices for information regarding this corner:

Minnesota Historical Society
Minnesota Department of Transportation
Bueltel-Moseng Land Surveying, Inc.
Yellow Medicine County Recorder's Office

For previous history see Certificate Document No. 210274 dated November 7, 1995.

2024 In September the Department of Natural Resources survey crew searched for the corner but found nothing. The vicinity of the corner location has been eroded and falls within the riverbank of the Yellow Medicine River. None of the ties were found per the previous Certificate and are now located within said riverbank. We were able to use the same coordinate from the previous 1996 DNR survey to establish the corner. The coordinate system is NAD 1983, 1986 Adjustment. The position was accepted as marking the location, but nothing was set as it falls within said riverbank. New ties were established.
