## Statement of Evidence

In 1867, David Watson did the original subdivision of the township.

In July, 1927, John Norgaard, County Surveyor, established the corner by proportionate distances between the section corners.

On November 15, 2016, Bueltel-Moseng Land Surveying found a 5/8" iron with seal #19092 at the corner. We removed the iron and dug by hand, we found nothing. We set 5/8" iron with seal #43844 at location of 5/8" iron with seal #19092. It is at proportionate distances and on line between the section corners. It is 20'± north of the fence to the east and 3.5'± east of centerline of the road.

### CERTIFICATE OF LOCATION OF GOVERNMENT CORNER

North Quarter Corner of Section 16, Township 114, Range 42

Fifth Principal Meridian, State of Minnesota, County of Yellow Medicine

At the corner location shown on the sketch:

- On Feb. 24, 2014 found Nothing  
DATE
- left monument as found       lowered monument       removed monument (explain)
- On Mar. 3, 2014 placed a Iron Rod with a "46169 46171" stamped plastic cap  
DATE

Statement of evidence for this corner location is on back of this page.

I hereby certify that this survey, plan, or report was prepared by me or under my direct supervision and that I am a duly Licensed Land Surveyor under the laws of the state of Minnesota.

Signature [Handwritten Signature]  
Date 3/4/14

Typed or Printed Name: Joshua M. Stern  
Reg. No. 46169

# **STATEMENT OF EVIDENCE**

## **North Quarter Corner Section 16, T114N-R42W**

- 1867 David Watson was contracted by the United States Government Land Office to perform the Original Public Land Survey in this township. Watson records in his field notes that he "Set  $\frac{1}{4}$  post in mound with pits & chd stks."
- Unknown Date John Norgaard, County Surveyor, records in the County Surveyor's Record Book, page 392 a dimensions from the northeast corner of Section 16 to the northeast corner of the Northwest Quarter of the Northwest Quarter of Section 16 and then from the northeast corner of the Northwest Quarter of the Northwest Quarter of Section 16 to the northwest corner of Section 16.
- Mar. 3, 2014 Joshua M. Stern, LS 46169, searched with a metal locator at this corner position and found nothing. He also searched for the  $\frac{1}{16}^{\text{th}}$  corner called for by Norgaard and found nothing. Norgaard's overall mile distance matches today's distance within 2 feet, confirming the northeast and northwest corners of this section. Norgaard's math shows he split the mile into 4 equal distances. An Iron Rod with a "46169 46171" stamped plastic cap was set on a straight line between the northeast and northwest corners of this section and at the Norgaard mathematical split position. No large excavation was done for this corner due to the large amount of frost and because it falls within the road surface.

County Recorder \_\_\_\_\_

By \_\_\_\_\_, Deputy

DOCUMENT NO. \_\_\_\_\_

Statement of Evidence

In 1867, David Watson did the original subdivision of the township.

On July 27, 1977, Moseng Land Surveying found a 3" metal circular plate on a 1" pipe along side a granite stone.

The Yellow Medicine Highway Department tied out the corner on the highway plans.

On July 17, 2012, Bueltel-Moseng Land Surveying set a  $\frac{2}{8}$ " iron with seal #43844 using the county highway plans. The stone was removed during a county construction project.

### CERTIFICATE OF LOCATION OF GOVERNMENT CORNER

North Quarter Corner of Section 21, Township 114, Range 42

Fifth Principal Meridian, State of Minnesota, County of Yellow Medicine

At the corner location shown on the sketch:

- On Feb. 24, 2014 found Nothing  
DATE
- left monument as found       lowered monument       removed monument (explain)
- On Mar. 3, 2014 placed a Iron Rod with a "46169 46171" stamped plastic cap  
DATE

Statement of evidence for this corner location is on back of this page.

I hereby certify that this survey, plan, or report was prepared by me or under my direct supervision and that I am a duly Licensed Land Surveyor under the laws of the state of Minnesota.

Signature [Handwritten Signature]  
Date 3/4/14

Typed or Printed Name: Joshua M. Stern  
Reg. No. 46169

# ***STATEMENT OF EVIDENCE***

## ***North Quarter Corner Section 21, T114N-R42W***

---

- 1867 David Watson was contracted by the United States Government Land Office to perform the Original Public Land Survey in this township. Watson records in his field notes that he "Set  $\frac{1}{4}$  post in Slough."
- Aug. 1913 John Norgaard, County Surveyor, records in the County Surveyor's Record Book, page 301 "set stone on line and equal distance between section corners" and dimensions to this corner position.
- Mar. 3, 2014 Joshua M. Stern, LS 46169, searched with a metal locator at this corner position and found nothing. An Iron Rod with a "46169 46171" stamped plastic cap was set online and equal distance between the northeast and northwest corners of this section. This matches the 1913 Norgaard note of "on line and equal distance between Section corners" and fits use lines within the section. No large excavation was done for this corner due to the large amount of frost and because it falls within the road surface.

## Statement of Evidence

In 1867, David Watson did the original subdivision of the township.

Roy Marihart set a 1/2" iron with seal #19092 in the center of the road and in line with the fences to the north and south.

On April 9, 2018, Bueltel-Moseng Land Surveying searched for the Marihart iron at the corner. We found nothing. We set a 5/8" iron with seal #50343 using information from the Marihart survey done in Section 25-114-42.
